STREET SCENE

10% Off For HI Members

There is nothing conventional about Street Scene Tours and that's just the way we like it. We showcase our city, province and country through the eyes of a *local*. We explore the inner city on foot or by bicycle, delve into the heart of the *townships*, sip on beers in the highest pub in Africa or *take helicopter rides* to picnic on mountain tops. Street Scene is about showing you things you have never seen before. Atypical tourism at its best.
